

Title V funds are administered by the Maternal, Child and Adolescent/Office of Family Planning (MCAH/OFP) Branch and the Children's Medical Services (CMS) Branch in the State of California. These two Branches are part of the Primary Care and Family Health Division which also includes WIC, the Genetic Disease Branch, and Primary Care and Rural Health Systems Branch (including Native American Health). The MCAH/OFP Branch conducts statewide assessment of needs, develops policies, plans and programs to improve the health of women, infants, adolescents, and families in California utilizing the core public health functions. The CMS Branch is responsible for the Child Health and Disability Prevention Program (CHDP), California Children's Services (CCS) program, and the Genetically Handicapped Persons Program (GHPP). CCS is the Children with Special Health Care Needs program.
